Kehillah

Now, in this time of *hisorerus*, would be the time to listen to the *gedolei yisroel* to rid ourselves of smartphones and other phones that have access to internet. Although there are those that seek *heterim* for *parnassa*, our *gedolim* said that it must be properly filtered. As I understand, Netfree is currently the best filter available.

-R' Yaakov Forchheimer

Do you need **internet for parnassa?**

Don't Compromise!

Get the highest **standard filter.**

Each website is checked and **every photo** is screened by a human.
